

## Endler Wins Award

John Endler, son of Mr. and Mrs. Leroy Endler, Route 3, Box 269, Lake Villa, has been honored as a recipient of the Jewel College Undergraduate Award Program (C.U.A.P.) in the 14th annual Jewel Scholarship Awards Program.

As a Jewel sponsored co-op student having completed two

Endler

years of college, and enrolled in the Food Distribution Program at Western Michigan, John was eligible to compete for this \$750 company scholarship award.

John was selected as one of the award winners by a committee of Jewel management people based on an evaluation of his potential for a successful post-college Jewel career; his personal attributes and record of leadership and accomplishment with Jewel, in college and in the community; and his academic achievement and ability.

John is scheduled to graduate in April 1971, equipped with a background combining career-related job experience and college education.

## Five From Antioch Honored

The Annual Recognition Ceremony of Downey Veterans Hospital was held on May 13, 1970. Five Antioch Community High School students were recognized at this ceremony. They were Krista Barlow, daughter of Mr. and Mrs. Townsend Barlow of 434 Orchard Street, Antioch; Cheri Crawford, daughter of Mr. and Mrs. Lavid Crawford, of Rte. 5, Box 418, Antioch; Barbara Druse, daughter of Mr. and Mrs. Delbert Druse of Rte. 4, Box 320, Antioch; Kathy Laursen daughter of Mr. and Mrs. Howard Laursen of 795 Main St., Antioch; and Kathy Walpole daughter of Mr. and Mrs. Frederick Walpole of 513 Gary's Drive, Antioch. Miss Barlow worked a total of 72 hours with Miss Walpole working 66 hours and Miss Crawford 65 hours. These girls have all received certificates acknowledging their efforts.

## Plumbers Want New Ordinance

Adoption of a local ordinance incorporating specific provisions of state codes dealing with plumbing and plumbing licenses has been urged in a letter to Mayor Raymond B. Toft of Antioch.

The recommendation was contained in a letter to the local officials by Lester E. Koetz, president of the Plumbing & Heating Contractors Association of Lake and McHenry Counties.

Recommended for adoption as local ordinances are provisions contained in the Illinois Plumbing License Law and the Illinois Plumbing Contractors Certification Law.

The first recommendation cites Section 18, Illinois Plumbing License Law in urging that "Only plumbers licensed by the State of Illinois be appointed as local plumbing inspectors."

Section 4, Illinois Plumbing Contractors Certification Law is cited in recommending passage of a local ordinance providing that local plumbing permits be issued only to plumbing contractors certified under the certification act.

Koetz calls attention to Section 4 of the Contractors Certification Law and Section 6 of the Plumbing License Law in urging an ordinance which would call for installation of plumbing work in all municipal buildings be handled by certified plumbers.

In recommending adoption of the local ordinances, Koetz said, "The Illinois General Assembly has recognized the importance of properly designed and installed plumbing systems in safeguarding the health of the people of (Continued on page two)

## Two From Antioch In Biloxi

Manager James J. Walsh and Agent William Hansen, of Antioch, representatives of Metropolitan Life Insurance Company, are in Biloxi, Miss. today for a business conference with officials of the company at the Broadwater Beach Hotel.

Walsh, who lives at Rt. 2, Box 103A and Hansen, who lives at Rt. 5, Box 428A, had an exceptional sales and service record last year and are among the top-ranking members of Metropolitan's staff of 30,000 field representatives in the United States and Canada.

## First CLC Graduation Is June 7

The first graduation ceremony of the College of Lake County will be held at 3:00 p.m. on June 7, 1970 at St. Mary's of the Lake auditorium near Mundelein.

The major address will be presented by Gerald Smith, retiring Executive Secretary, Illinois Junior College Board and Adm. Zussman, President-elect of Student Government.

A reception for the graduates and their families will be held in the Carmel High School lounge and cafeteria immediately following the ceremony.

VOL. LXXXIV. NUMBER 49

## Antioch To Honor Its War Dead Memorial Day

The 1970 Wonderful World of Scouting was held at the Lake County Fairgrounds recently. Winners of the space derby include David Volling of Pack 192, sponsored by the State Bank of Antioch, third place; Jim Brown, of Pack 89, sponsored by the Fremont PTA in Grayslake, second place; and David Teich of Pack 137, sponsored by the Green Bay Road School PTA in Highland Park, first place.

Antioch will honor its war dead Saturday.

Observances will get under way at 10:30 a.m. with a parade sponsored jointly by the Antioch Post 4551 V.F.W., and American Legion Post 748.

Those in the parade will assemble at the Antioch High School parking lot at 10 a.m. and step-off time is 10:30 a.m.

The parade line of march will be down Main Street to Orchard Street and then to Broadway and then to the reviewing stand to be set up at the memorial in front of the Village Hall.

Participating in the parade will be members of the American Legion, Veterans of Foreign Wars, the Antioch Fire Department, Rescue Squad, members of the Boy Scouts, Girl Scouts, Cub Scouts, Little League, Babe Ruth League, the Antioch High School Band, the Antioch Grade School Band and other civic organizations.

The Rev. Donald Cobb will give the invocation after V.F.W. Commander James C. Horton welcomes the public to the observance.

On the reviewing stand will be civic, political and business leaders of the community as well as several Gold Star mothers.

A wreath will be laid at the foot of one of four crosses representing the dead of the four wars.

LaVerne M. Woods, president of the First National Bank of Antioch will be the speaker for the observance.

The ceremonies will close with the benediction by Rev. Cobb and V.F.W. and Legion members will form a firing squad.

Taps for the ceremony will be played by George Olsar.

Also, the Illinois Manufacturer (Continued on page two)

## Doughnut Chairman Selected

Mrs. Vera L. Horton, 999 Victoria Street, Antioch, will serve as Chairman for The Salvation Army's Doughnut Day, Friday, June 12. The Antioch Woman's Club has adopted Doughnut Day as an official club project and will assist Mrs. Horton in tagging activities.

Over 2,000 volunteers will sell familiar paper doughnut tags on street corners in Chicago and 135 suburban communities in the surrounding seven-county area. The income goal for the 1970 Doughnut Day is \$197,000. The funds will help benefit the anticipated 200,000 men, women and children in the area who will be helped during 1970 through the social welfare services provided by The Salvation Army.

Through the 46 institutions, departments and neighborhood centers of The Salvation Army, a multitude of services are provided each year to people in need. These religious and social service programs include case-work and counseling for families and individuals; a homemaker service to prevent family disintegration during problem periods; an emergency lodge for victims of personal and community disasters; a day care center for the children of working mothers; an outstanding rehabilitation (Continued on page two)

## Police Study Is Set

The International Association of Chiefs of Police, Inc., Washington, D.C., who is under contract with the Lake County Law Enforcement Assistance Planning Committee will commence Police Management Studies for 23 police departments and the Lake County Sheriff's Office on June 1st.

Grants totaling \$40,500 have been made to these 24 law enforcement units for this purpose by the Illinois Law Enforcement Commission.

John F. X. Irving, Executive Director of ILEC, stated that the aim of the County Committee and the State Commission is that the study will disclose how coordination can best be achieved by all law enforcement agencies throughout Lake County and improve the efficiency of the entire system.

Each participating agency will be requested to submit a final fiscal and narrative report to the ILEC upon completion of the studies.

Roy C. McLaren, Director of Field Operations Division of the International Chiefs of Police, Inc., has appointed S. B. Billbrough, Assistant Director, to be in charge of a staff of eight men assigned to make the studies in Lake County.

The departments scheduled for the first week in June are, namely: June 1—Waukegan, Antioch, Highland Park, Libertyville, Mundelein and North Chicago; June 3—Barrington, Round Lake Beach and Wauconda; June 4—Lincolnshire, Gurnee and Round Lake.

It is expected that all remaining studies will be completed during the month of July.

## The Truth About Rabies

(This is the second in a series of articles about rabies. The series has been prepared by Dr. Robert J. Flynn, Lake County Veterinarian.)

A common misbelief about rabies is that the disease is seen only during the "dog days." This arises from the fact that in the late summer weeks, Sirius, the dog star, is high in the sky during the morning hours. The ancients believed Sirius, adding its heat to that of the sun, was responsible for driving dogs mad. Actually, figures show late spring as the worst season for rabies.

Even today some people mistakenly believe the disease is caused in other ways, such as eating garbage, lack of water, unsatisfied desires, or fatigue, but the disease is actually caused by a virus.

If your dog develops rabies, it is important for you to know where the virus is located in his body. There is no danger of getting rabies from his blood, urine, or tears. Likewise, if your cow becomes rabid, you need not be afraid of catching the disease by drinking pasteurized milk from the rest of the herd.

Rabies virus is not found in the

blood, urine, milk, tears, bone, cartilage, or muscle. It is present, however, in the brain, large nerves, saliva, spinal fluid, and inside the eye. For example, it is possible to produce rabies by injecting saliva from a rabid dog into a healthy one. Since man does not ordinarily come in contact with tissues of an infected animal that contains the rabies virus, but does often contact saliva, it is possible to know exactly when one is actually in danger from the disease.

The usual exposure to a rabid animal is a bite. The virus from

infectious saliva enters the wound and travels to the brain by way of the nerves. The most dangerous bites are deep wounds, in areas rich with nerves. Bites around the upper part of the body and on the face are particularly dangerous, since in these cases the virus does not have far to travel to reach nerve centers, and rabies may develop before the Pasteur treatment has time to become effective.

There is less danger if you are bitten through clothing, since the clothing will often remove the (Continued on page three)

## Groups Say Take Judges From Politics

Sixteen organizations have joined the Committee for Modern Courts in asking the Illinois Constitutional Convention to take judges out of partisan politics, Committee Chairman Henry W. Meers announced today.

Included among them is the 10,000-member League of Women Voters of Illinois. The league polled its members and 98 per cent of those replying supported the organization's position advocating a judicial article in the new state constitution which would provide for a merit system of selecting judges.

Other organizations which have endorsed the move to take judges out of partisan politics are: American Association of University Women, Illinois Division; Better Government Association; Chicago Association of Commerce & Industry; Chicago Bar Association; Chicago Crime Commission; Chicago Junior Association of Commerce & Industry; and Illinois Council of Churches through its legislative committee.

## Moose Club Enrolls 7 New Members

Seven new members were enrolled in the Antioch Moose Lodge last Sunday afternoon in honor of new Governor Ronald Polson. The new members included are: Arthur Jones, Bill Priko, Russell E. Schroeder, Wayne F. Bentel, Charlie W. Heeter, Roger W. Byrd, and Dale Ludington.

Five re-enrollments were also accepted. They were William H. Hart, Charles Huhn, sponsored by Edward Kurtz; James C. Richardson, by John Dupre; Geoffrey C. Hanson, by Jerry Kusch; and Homer J. Toft by Ronald Polson.

Richard Jorgensen, Art Anderson, Henry Grewe, Bruce Borchard, Lee McKinney, and a past ritual man for many years, Lester Nelson performed the ritual ceremony.

A large crowd attended the Las Vegas party held at the Antioch Moose Lodge last Saturday night.

The men's regular meeting night and birthday dinner was scheduled for Wednesday, May 27 at 8 o'clock.

## Antioch News Will Celebrate Holiday

The Antioch News offices will be closed on Friday and Saturday of this week to give our employees a Memorial Day weekend holiday. Business will be resumed as usual on Monday.

## Library Prizes Awarded

Cash prizes of \$100 each have been awarded to twenty individuals contributing the best original ideas on the subject, "How a book has influenced my life." The winners were announced at a program held at the Arlington Heights Memorial Library.

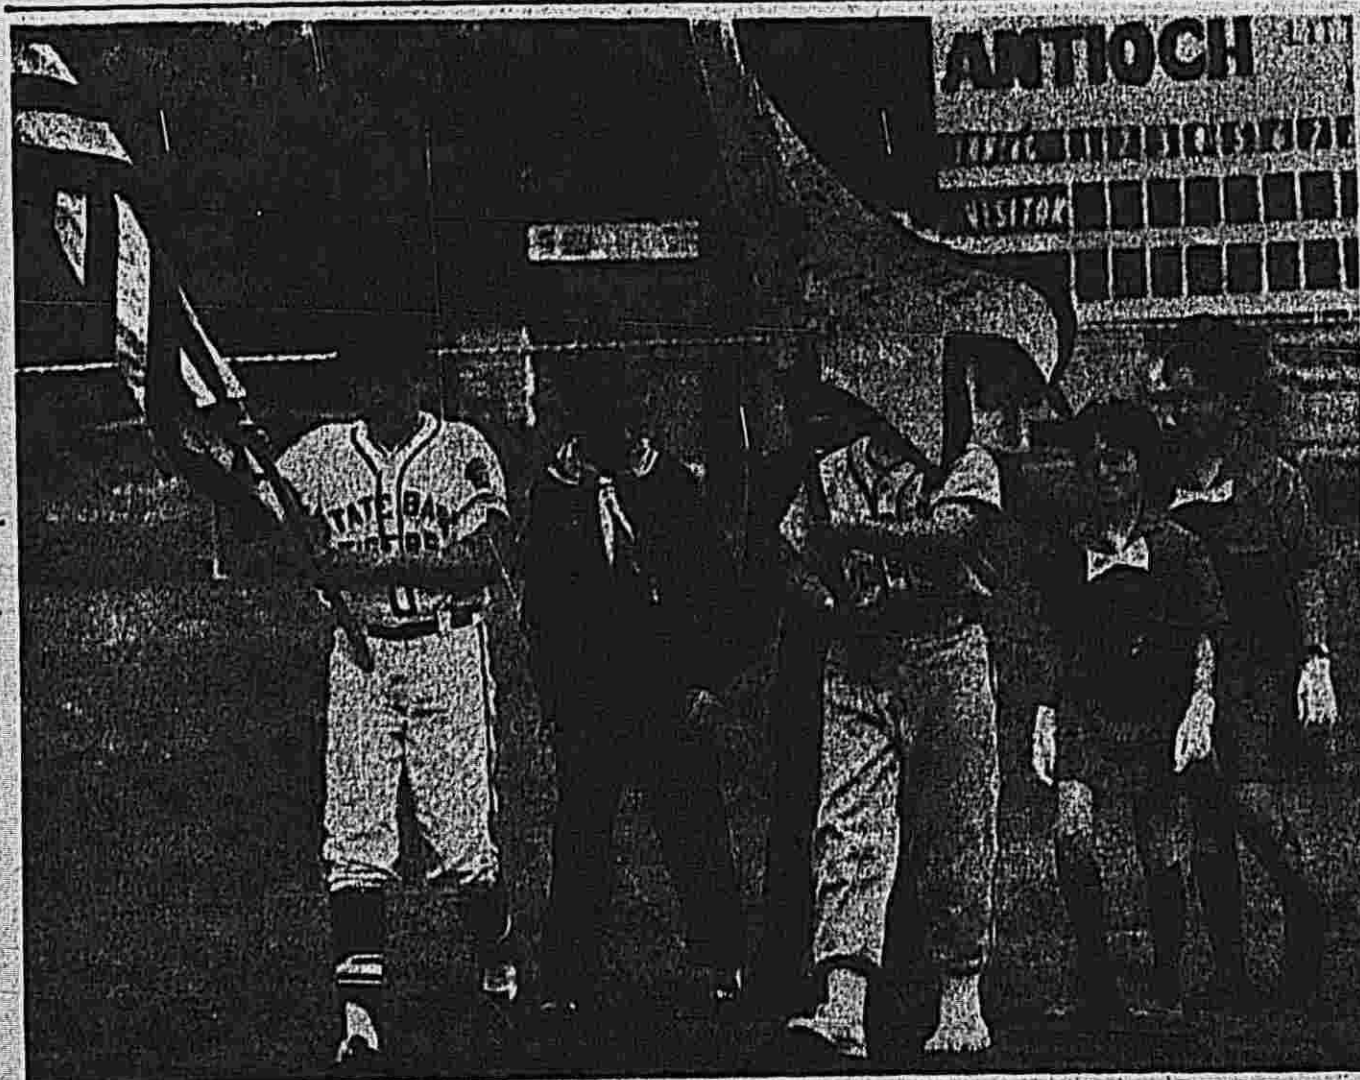

Over 1,300 entries were received from library users throughout the state. Most were essays, although prizes were given for a motion picture film and a collage. A wide variety of books were represented, including science, philosophy, inspiration and social problems, as well as classics in poetry and fiction. Twelve of the winners were students and the other eight adults.

The contest was one of the featured events of National Library Week in Illinois 1970. W. Clement Stone, chief executive officer of Combined Insurance Company of America, was chairman of the observance.

The winners include Karen Belcher and Kay Hazelwonder; Godfrey, Eric Berger, Peoria; Robert Buerger, Lake Zurich; Peter Dorr and Donald Norwood, Springfield; and David Johnson and Matt Lepz, Alton.

Others receiving prizes are Jim McWilliams, Glen Ellyn; Mike Mossley, Geneva; Richard Merks and Veronica Porter, Danville; Tricia Tjerina, Chicago; and Mrs. Marvin Goodman, Weldon.

Others are Mrs. Joan J. Huff, (Continued on page two)

Fred Holbert, auditor of the State Bank of Antioch, shows Salem Central High School students the safe deposit boxes in the vault and explains their correct use. The students who recently visited the bank are members of a class devoted to occupations and work experience for special education students. Visits are made by class members to various industries and business to familiarize them with job opportunities and services offered in nearby communities.

## Income Tax Preparation Course Set

A basic income tax preparation course designed to instruct the layman in the proper preparation of the Federal Income Tax Form 1040 will be offered during the 1970 College of Lake County summer session. The Commerce Clearing House Tax Course textbook will serve as the guide and textbook for the course.

The course, entitled Business 133, "Basic Income Tax Preparation," will meet from 1:20 p.m. to 4:30 p.m. on Tuesdays and Thursdays for eight weeks.

Students interested in registering for the course may do so on June 11 and 12 between the hours 9:00 a.m. to 4:00 p.m. and 6:00 p.m. to 9:00 p.m.

## Edison Names Two To New Positions

Commonwealth Edison Company has announced the appointments of William J. Cormack as northern division commercial

Cormack

manager and David W. Nocchi as industrial relations manager of the division, succeeding Cormack.

Cormack joined the electric company in 1955, shortly after obtaining a bachelor's degree in business administration at Northwestern University. Much of his career has been devoted to administrative positions in indus-

Nocchi

trial relations. In his new post he will be in charge of sales and service activities in the division, which extends from Howard Street to the Wisconsin boundary and from the lake to the western McHenry County line. Cormack has

## Council Holds Meeting

The Spring Advisory Council of the Lake County Home Economics Extension Service was held at the Extension Building at the Fairgrounds, Grayslake, on Wednesday, May 27.

The new Council members were introduced to the officers from the 22 units in the county who attended. Present, representing the units, were Presidents, 4-H Chairmen, Citizenship and International Chairmen.

After getting acquainted at a coffee hour, these officers met in separate groups and planned their work for the coming year.

The extension Council invites all homemakers in the county to join a unit. For further information, call Mrs. Helen Volk, 223-4844.

## Art Class Scheduled June 15

Again this year, the University of Illinois Extension Service will offer a two-week Art Course, June 15-26. This will be held five days a week from 9:00 a.m. to 4:00 p.m. at the Extension Building at the Fairgrounds on Rt. 45 at Grayslake.

William Berker will be the instructor. This shall be a course in Design and will offer two hours of undergraduate university credit. The tuition for the course is \$30.00.

There are still a few places left in the class. Anyone interested may send their check at once to Mrs. Helen Volk, Extension Adviser, P. O. Box 356, Grayslake, (223-4844).

Norman Jedelee will continue as school accountant and Ralph J. Jacobs Co. of Waukegan will conduct the annual audit.

Resignations were accepted from Mrs. Charlotte Kelly, business education, and Mrs. Martha Heindl will be replaced as school nurse by Mrs. Cathleen Gastra.

Contracts for teaching were awarded to Joann Stratton, business education; Kenneth Kasubski, industrial arts; William Goetzema, biology; Mrs. Beatrice Lipski, English, and Jean Neumann, French.

## TOPS Does Vietnam Packing Job

Chet Golonka of the Antioch Post Office Project Vietnam reports that about 20 women of the Antioch Chapter of TOPS, Inc., packed this month's goodies for our Boys in Vietnam. The local chapter is known as the "Tops Cheerful Losers."

Chet would like to extend his thanks to this organization and any others who have packed or donated to this fund. He would also like to include the citizens of Antioch who have donated cash and merchandise to this project that have made it such a success.

Without this — the help of the people — we would not be able to keep this project going as it takes a great deal of money to keep this project going.

Chet is also glad to report that we are down to only 28 boys over there. He expects to see about two more coming back in this next month.

Again, thanks to all who have kept this project going for the last 30 months. We again urge anyone who knows of boys that have recently returned to notify the Antioch Post Office as we can better serve those who are still there.

## High School Will Buy Simulators

The Antioch High School Board last week authorized the purchase of 12 driver education simulators from the National Highway Safety Association.

The simulators will cost \$37,173 but the school district will receive an annual reimbursement of \$6,195 for three years from the state.

Norman Jedelee will continue as school accountant and Ralph J. Jacobs Co. of Waukegan will conduct the annual audit.

Resignations were accepted from Mrs. Charlotte Kelly, business education, and Mrs. Martha Heindl will be replaced as school nurse by Mrs. Cathleen Gastra.

Contracts for teaching were awarded to Joann Stratton, business education; Kenneth Kasubski, industrial arts; William Goetzema, biology; Mrs. Beatrice Lipski, English, and Jean Neumann, French.

## 10,000 See Scouting Program

More than 10,000 Scout members and their friends witnessed the "Wonderful World of Scouting" show at the Lake County Fair grounds near Grayslake, May 15, 16, 17.

One hundred and ten different booth displays, handicraft demonstrations, Scout skill events, troop camp sites, and competitive events were to be seen throughout the event. The booth displays occupied four large fair grounds display buildings and the Scout troop campsites covered 25 acres of adjoining fair grounds.

An evening pageant featured the Racine Wisconsin Scout drum and bugle corps of 60 members; the New Trier West Jazz band; and "The New Traditions" a contemporary musical group from Albert Lea College, Minnesota.

The show was declared a great success and will be repeated next year according to show chairman Col. Edwin A. Nichols, Commanding Officer of Ft. Sheridan.

## Honor Scholarship Awarded To Dayton

Craig Dayton, son of Mr. and Mrs. James Dayton of Route 2, Box 221A, Antioch, Illinois, has been awarded an Honor Scholarship to Carroll College of Waukegan, Wisconsin, for the 1970-71 school year. "The quality of this student's high school record has made this award possible," was the wording of the letter of notification. Amounts of scholarships are not announced as they reflect the financial needs of the student, based upon the confidential information submitted on the Parents Confidential Statement.

Congratulating Pete J. Czopiwsky of Zion, senior at Zion-Benton High School on being named one of 27 award winners in Interstate Steel's Prep Achievement Awards contest are, from left, Frank Parker, contest judge, Howard R. Conant, president of Interstate and Ed O'Bradovich, judge and former football great.

## Marcelle Geister Marks Forty Years

Marcelle Geister, of Rte. 4, Antioch, is celebrating her 40th anniversary at Automatic Electric Company, Lorthlake.

Mrs. Geister, an instructor in the relay group assembly and wiring department, joined the communications systems manufacturing company in 1930 when Automatic was located on the west side of Chicago.

She has worked as a wire and solderer, and in recent years her assignments have included inspection and supervision as well as instructional work.

Call 395-4111 to place a Society or News Item.

## The Truth About...

(Continued from page one) infectious saliva. If the skin is not broken by the bite there is little danger of contracting the disease.

If an animal has just died of rabies, there are a number of ways to disinfect the area. Sunlight, lye, alcohol and chlorine solutions readily kill the virus; once infected saliva has dried, it is no longer dangerous. Freezing and household phenol disinfectants such as lysol are not very effective in killing the virus.

What happens if one is bitten by a rabid animal? Just as a chick develops in an egg, so the virus undergoes a period of incubation. That is, there is an

incubation period during which the viruses spend developing in the body. This period is measured from the time of exposure to the date when signs appear.

Since the rabies virus must travel up the nerves to the brain, it has a long incubation period which can vary greatly. It may develop in 12 days, or it may take as long as six months. Periods as short as five days and as long as two years have been reported, but these have not been definitely proven.

Most cases of rabies in dogs require three to six weeks to develop, while cattle and horses average a week or so longer. In hibernating animals, the development seems to slow down while they are in hibernation but is normal the rest of the year.

## Latest poll indicates wet shirts prefer Electric dryers by huge margin.

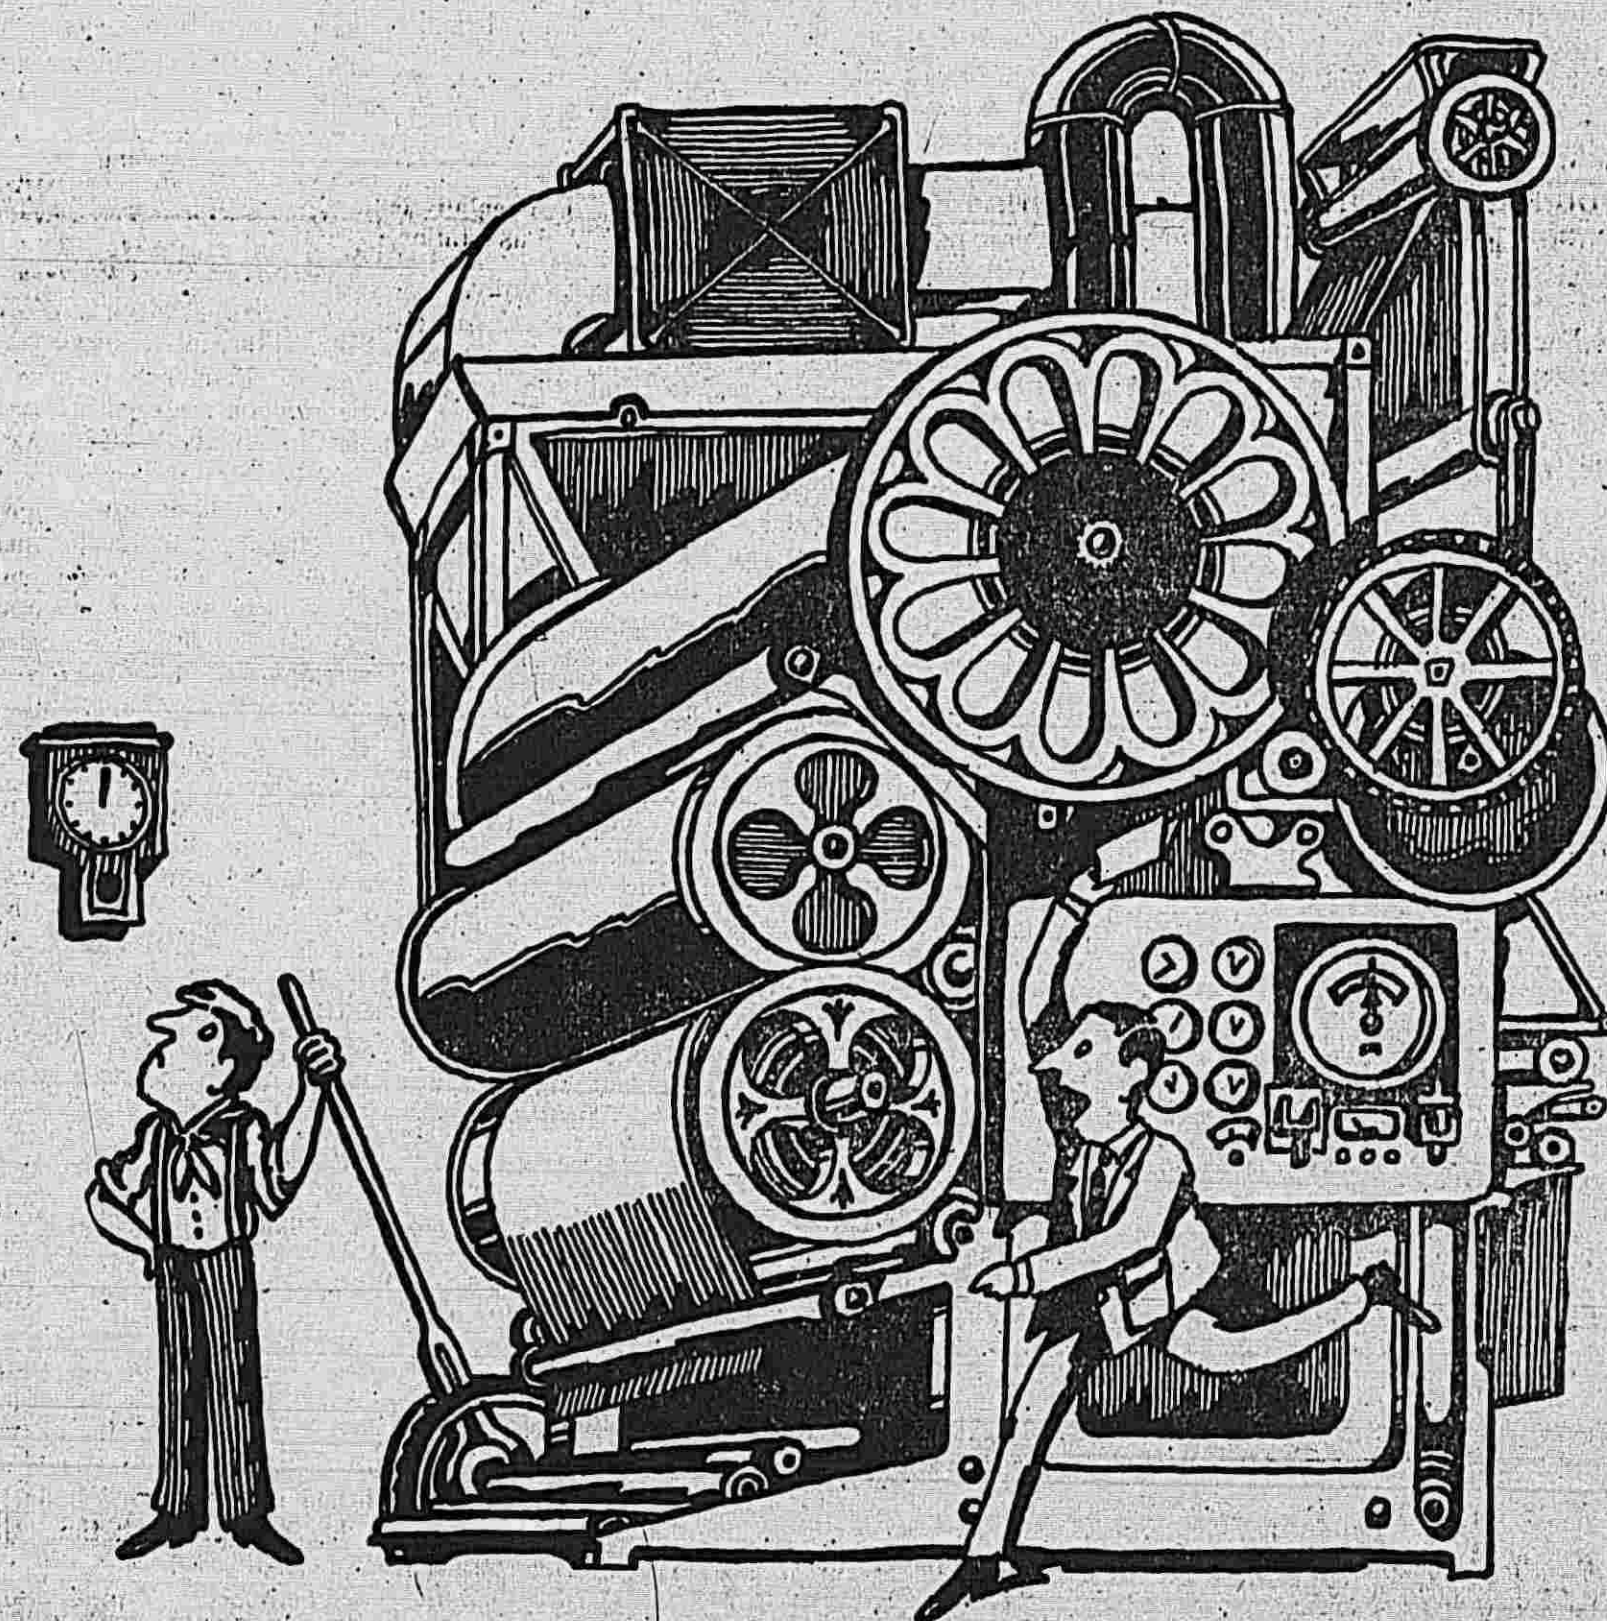

And why not?

With a gas dryer, there's a concentrated heat source. The electric dryer is different. Its radiant warmth surrounds wet shirts and dries the sleeves, collars, cuffs, and buttonholes all at the same time. It's fast, yet gentle. Keeps the pleats and creases from turning into crumples and rumples. No wonder more wet shirts opt for the flameless electric dryer every day. Commonwealth Edison Company.

The bright new ideas are Electric.

© C.E. Co.

June 11 is your last chance to make changes in the new phone book.

Maybe you'd like to change the way your name is listed.

If your name isn't listed, maybe this year you'd like it to be.

Or you might want to add a listing for someone else in your family, so friends can keep in touch.

Now's the time to make your change, whatever it is. The new phone book for Antioch, Fox Lake, Lake Villa, Pistakee Highlands and nearby communities goes to press June 11. So please call your Illinois Bell Service Representative before then. Her number is on the first

page of your directory.

Call now. If we don't hear from you by June 11, we'll have to say we're sorry, the presses are rolling.

# 11 Topics for Today's Women

THURSDAY, MAY 28, 1970 THE ANTIOCH NEWS

Dr. and Mrs. Earl J. Hays

## Fiftieth Anniversary Celebrated

More than 200 persons honored Dr. and Mrs. Earl J. Hays on Sunday, May 24 at an open house held at Wesley Hall of the Antioch United Methodist Church on the occasion of their fiftieth wedding anniversary celebration. Five cousins from out of town attended.

They were married on May 28, 1920 at the Church of Our Savior in Chicago.

Moving to Antioch in 1934, they have been busy in many activities. They have resided at 1505 Dering Lane, Lake Villa, since 1961.

"Doc" is an optometrist and holds hours at his office in their home. He is a veteran of World War I, a member of Sequit V.F.W., American Legion of Antioch, St. Ignatius Episcopal Church, and Sequit Lodge A.F. & A.M.

Elsie is a member of the Antioch Woman's Club and its "Green Thimbles," the Women's Auxiliaries of each of the V.F.W. and the American Legion, St. Ignatius Episcopal Church where she is active in the Women's Guild, and the Eastern Star of Antioch.

## St. Stephen Lutheran

Hillside Ave. & Route 59  
Antioch, Illinois

THE CHURCH ON THE HILL INVITES YOU TO WORSHIP ON SUNDAYS AT 9:30 A.M.

Pastor Phillip O. Laurin

## Legion Auxiliary

By Del Jahneke

Mrs. Bess Lewis, Galesburg, Lo Departmental Chaplain, (State President) of the Illinois "Eight and Forty"; will be the guest of honor at the June 3rd meeting of Lake County Salon No. 191; Eight and Forty. This annual dinner party meeting will be held at Joe and Helen's "Little Acres" Restaurant, Loon Lake, Antioch, at 6:30 p.m.

Mrs. Lewis will give a talk on the aims and accomplishments of the Illinois Eight and Forty, as it pertains to the national organization. There will be an election of Salon officers for the ensuing year.

This year's theme, "The Greatest Show on Earth," will be carried out in the dinner decorations. Although the "8 & 40" was organized to aid in the prevention and control of tuberculosis and cystic fibrosis in children; it is also a social society. The Eight and Forty is an honor subsidiary of the American Legion Auxiliary.

Reservations for the dinner, with money, must reach Mrs. John L. Horan, 407 Orchard Street, Antioch; by May 28th, deadline date.

Hostesses for this affair will be Mrs. Ray Rathmann, Mrs. Edward Jahneke, Sr., Mrs. J. L. Horan, all from Antioch; and Mrs. Robert Wigglesworth, Fox Lake.

"Memorial Day is fast approaching," Mrs. Howard Vaughn, Mundelein, District Gold Star Chairman of the 10th District American Legion Auxiliary, said; "and it is an appropriate time to honor our Gold Star Mothers and members."

Nearly all units honor their Gold Star members in May, with gifts and parties. They are always requested to participate in Memorial Day programs.

There are three worthwhile memorials to be given for deceased Gold Star members. One suggestion is the memorial book, to be given to the community library, in memory of the deceased member. Another idea is the memorial tree, for beautification purposes.

The newest memorial is a donation to the American Legion Child Welfare Foundation. Its name speaks for itself, as it is a far reaching program. A memorial certificate is issued to the Gold Star member's family.

Few people, outside of American Legion and Auxiliary members, realize that the national American Legion Child Welfare Foundation was issued its Charter by the Congress of the United States. Every year, the Legion must give an accounting to Congress for this child welfare program.

On May 29, the kindergarten classes will have a Pet Show. The mothers will bring the children's pets to school between 9:30 and 10:30 a.m. and 12:30 and 2:00 p.m. in the afternoon. Quite a variety of animals have been promised, including cats, dogs, fish, gerbels, etc.

## Where The Boys Are

Cudahy

Airman John E. Cudahy, son of Mrs. Victor B. Paustian of 10 E. Monaville Road, Lake Villa, has complete basic training at Lackland AFB, Texas.

He has been assigned to Chanute AFB, Ill., for training in the armament systems field. Airman Cudahy, a 1968 graduate of Grayslake, Ill., Community High School, attended the University of Illinois.

By Fran Boxley

Wednesday, May 20

Honorary Dinner at Moose Home is one of the happiest happenings of the year. When recognition is given to the co-workers of their accomplishments for the year. And part of the evening that is the nicest is the crowning of the Queen of Sponsors. The Queen for the year 1969-70 is Graduate Regent Jerri Polson. In the ceremony this year, each officer took an active part in the crowning which was beautiful for the chapter and for Jerri.

The Chapter gave a gift of a beautiful glass to each officer, escort and chairman and for each pro-tem. An extra gift of a wallet was given to each co-worker who sponsored two or more candidates.

Loyal Order members served the Women a fried chicken dinner and bought burgundy for a toast. Chapter 735 thanks the Loyal Order members: Governor Ron Polson, Henry Grewe, John Dupre, Wally Kusch, Harvey Gehris, Harvey Henry, Clayton Orvall, Ed Dahlke, Lennie Kohl, and Ed McKinney; also a newcomer who was to be installed on Sunday, May 24—Art Jones. Everyone had a nice time and the table setting was really lovely, carrying out the theme of colors that have been worn on the floor all year, with co-workers' formals and corsages.

After the dinner, Star Records Committees' bag party was a success. This is always a lot of fun for the co-workers that participate after the honorary dinner. Co-worker Irene Clark had the booby prize, but ended up with the nicest gift. This committee changes the booby prize every year so when we're looking in those bags, we really don't know what to keep or what to give away.

Thursday, May 21—Regular business meeting was held with the election of new officers. The installation is planned for June 20, Saturday, May 23—

Las Vegas Night. A success! There was lots of fun for the people who came in such bad weather. The Chapter event, turned out pretty much as planned. Senior Regent, thanks, and Chapter, thanks!

Homemaking Committee for taking care of the prize booth. Sixty-two prizes were won by many different people.

The Loyal Order helps on Friday evening for the help in setting up the tables, Lee Meure, John Dupre, Ed Kurtz, and Bob Taylor and Saturday afternoon.

Loyal Order help Saturday night: Seth Mark, Charles Seelhoff, Bob Hadley, Bob Boxley, Ron Serwa, Bob Schmidt, Lee Meure and Paul Schindell—also anyone else that helped and we failed to mention. A special Thank You to everyone who donated gifts, they were greatly appreciated.

Thursday, June 4—Academy of Friendship chapter program. Ring ceremony for new members coming into

## DeMolay To Serve Pancakes

A pancake breakfast will be served by the Millburn Chapter, Order of DeMolay, in Millburn Masonic Lodge on May 31, from 8 a.m. to 1 p.m. The lodge is located in Millburn, Illinois, at the corner of Route 45 and Millburn Road. All proceeds will be put toward the operation of the chapter and its various activities this year.

Millburn Chapter—which is composed of boys between the ages of 14 and 21 throughout the Antioch, Gunnee, Zion Benton, and Grayslake areas—is a self-supporting organization whose purpose is building better citizens.

The Chapter has a variety of happenings including programs in the areas of social affairs, athletics, civic activities and fund-raising projects.

New members who would like to participate openly in an active youth organization are constantly sought by the Chapter.

Anyone interested in joining should contact Robert Irish (395-4294), William H. Paulsen (395-5802), or George Schabow (395-1702) who are members of the Millburn DeMolay Advisory Council.

## Homemakers Hold Meeting

Lake Region Homemakers met at the home of Mrs. Beverly Knutson Wednesday, May 20, at 8 p.m. Mrs. Jean Heick was co-hostess for the evening.

The major lesson "You and Your Later Years" was given by Mrs. Toni Kisel and Mrs. Rosemary Heverdes. The minor lesson for the month was given by Mrs. Esther Hamlin and the topic was "Ice Cream Made In Your Refrigerator."

Future plans were discussed concerning the November Hobby Show and the groups contribution to the show.

## Elizabeth Ann Moore Receives Honors

Elizabeth Ann Moore, daughter of Mr. and Mrs. James C. Moore of Lake Villa, was formally inducted into Alpha Lambda Delta, the national freshman women's scholastic honorary, at the University of Illinois, Champaign. The ceremony for the 220 initiates was held April 30, 1970. A banquet in the Illinois Union Ballroom followed the initiation featured associate editor of Chicago Today, Jack Mabley.

Alpha Lambda Delta was founded at the University of Illinois in 1924 and has since expanded into 156 campus chapters over the nation. Women must achieve a 4.5 (on a 5.0 scale) or better either their first semester or freshman year to be invited into membership.

Friendship, 8:00 p.m., Moose Home.

Thursday, June 11—Officers Meeting.

Saturday, June 13—

Graduate Regent Jerri Polson receives Cap and Gown at Mooseheart. Jerri hopes for many of the co-workers to join her on this special day.

Thursday, June 18—Regular business meeting at Moose Home, 8:00 p.m.

Saturday, June 20—Installation of new officers.

## JUST ARRIVED?

We've no red carpet to roll out; no brass band to serenade you. But we can help you with names and locations of schools, lists of community facilities, shopping information and all the other things you'll want to know about your new home town. A Welcome Wagon hostess will visit at your convenience to provide all this and gifts as well. It's all yours—free—for a telephone call to Welcome Wagon at

## Civic League Two-Prong Program On

Like the man who read his own obituary in the paper and then notified the editor that the report was grossly exaggerated, the Lake County Civic League, which was considering economies that would almost eliminate League activities, has embarked on an intensive program of tax watching which is coupled with a campaign to increase its membership.

The League board of directors, at a recent meeting, considered cutting back on its functions in order to stay within its annual income of about \$5,000, but quickly rejected that idea and decided on a full speed ahead program that should make the league more effective in protecting taxpayers in Lake County and at the same time interest more people

## Heidi Festival Set June 27-28

Wisconsin's entertainment spotlight will rest on lovely New Glarus, famed for her Swiss charm, during the sixth annual Heidi Festival. Saturday and Sunday, June 27-28.

Presentations of Johanna Spyri's warm drama of Heidi, the little Swiss orphan in the high Alps, are set for both days at 2 p.m., in the elementary school gymnasium.

Pre-drama entertainment begins at 1:30. The New Glarus presentation depicts Heidi's life with her stern, lovable grandfather, a rugged recluse, her abduction to Frankfurt, and her homecoming to the hut high above the little Swiss village of Dorfli.

One major change in scheduling has been made. The third annual Heidi Crafts and Foods Fair, set for the village park (high school if it rains) has been moved from Saturday to Sunday to accommodate Sunday browsers. Hours are from 10 a.m. to 6 p.m.

Fair entries include pottery, painted china, original jewelry, stichery, rural and ethnic foods, books, ceramics, wood carvings, stones and fossils, leather work, and other novelties.

The Little Switzerland Festival, a smash hit at its debut last year, will be repeated in the high school gymnasium at 8 p.m., Saturday.

The program includes authentic folk dancing of a half dozen nations, Swiss music, yodelling, Swiss flag throwing—all exciting, unusual entertainment.

Both days include free tours of cheese factories at 9:30 a.m. and 10 a.m. only; free farm tours at 5 and 5:30 p.m. only.

For reservations, rooms in private homes, general information, Heidi Crafts and Foods Fair entry blanks, please write HEIDI Festival, 414 2nd Street, New Glarus, Wis. 53574.

in taking part in the league activities. To start off the program, league officers are checking with Edward O. Barnes, Lake County purchasing agent, to learn of some of the problems of effectively operating a centralized purchasing plan for the county, and to offer him any assistance he needs to make centralized purchasing work efficiently and economically for the county.

One issue of the Civic League Reporter, the organization's means of keeping its membership informed, has been sent to 600 Lake County persons describing the constitutional convention efforts to produce an acceptable revenue article for the new constitution, and urging that reasonable tax ceilings be written into the constitution.

The Reporter also gives some details of President Nixon's proposal for federal education plans, and calls for an increase in tuition at Lake County College to \$10 per semester hour.

Subsequent bulletins to members will explain the league's work in conferring with the County Board's finance committee on each year's budget, working with the North Shore Sanitary district, checking into the mental health program and the county's health services, and assisting with the formation and organization of a tax-watch committee in Zion to keep the public informed on what Zion does with the tax windfall it will receive from the new Commonwealth Edison plant on the lake front.

Members of the league will carry the League message to civic groups and clubs in order that its importance to the taxpaying public may be well understood.

The Civic League, organized in 1947 to keep the citizens informed on tax matters, is affiliated with the Taxpayer's Federation of Illinois, and researches all tax matters coming up in the county, including schools and local government, consults with taxing bodies, makes recommendations for tax economies, but does not endorse political candidates and conducts its affairs strictly on a non-partisan basis.

Membership in the league is better government and economic open to everyone interested in use of tax moneys, and its members include property owners, renters, and all citizens with an interest in good government.

## Three From Here Complete Teaching

Three Antioch area students at Northern Illinois University at DeKalb have completed student-teaching stints during the spring semester.

They include Diane M. Kretsch, of RFD 2, Antioch, and Marilyn A. Bennecke, of 224 Burnett, and Sheryl A. Harrington of RFD 1, Box 212, both of Lake Villa.

Cowbirds lay their eggs in other birds' nests, usually an egg in different nests, sometimes removing an egg from its victim's nest before depositing her own.

Marie Theresa Lang, daughter of Mr. and Mrs. Lawrence W. Lang Sr., of Rte. 4, Box 267 Antioch, has been accepted at the Rosary College Graduate School of Library Science, River Forest.

## CHRISTIAN SCIENCE CHURCHES

Will-power, hypnotism, and occult practices are the opposite of control through spiritual understanding, as explained in the Lesson-Sermon to be read in all Christian Science churches this Sunday.

Bible citations point out that belief in evil forces has existed through the ages, under various names. The subject of the Lesson-Sermon is: "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced."

One of the citations from Science and Health with Key to the Scriptures by Mary Baker Eddy, states: "Christian Science reveals Truth and Love as the motive powers of man. Will—blind, stubborn, and headlong—cooperates with appetite and passion. From this cooperation arises its evil. From this also comes its powerlessness, since all power belongs to God, good."

The public is invited to attend services starting at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, 173 & Harlan, Antioch, Illinois.

## WHAT YOU CAN DO ABOUT EXPLOITATION

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

## Writer's Club

A meeting of the Amateur Writer's Club of Lake County was held Saturday, May 16th at 2 p.m. at the Waukegan Public Library. At the previous May 2nd meeting, President Tom Clark delegated Leatrice Green of Waukegan and Mary Grundset of Wildwood to research the project for this meeting, "Preparing the Manuscript for Publication."

Officers elected for the current year are: Founder, Elena Bercher of Waukegan; President, Tom Clark of Winthrop Harbor; Vice-president, Tom Lewgard of Ingleside; Treasurer, Olga Wigoda of Waukegan; Secretary, Margaretta Naville of Waukegan; Program Chairman, James P. Hopkins of Waukegan; Historian and Publicity Chairman, Katherine Loftus of Venetian Village.

## Jan Anderson Wins Teller Award At 1st

Jan Anderson has been awarded the teller of the month award at the First National Bank of Antioch.

The engraved cup was presented to her by Walter Daniels, vice president and cashier for her courtesy to customers and co-workers and efficiency in balancing.

Jan is married to Bill Anderson, a fifth-grade teacher at Oakland Grade School and they have one daughter, Stacey, 2. She is from Sheboygan and has been with the bank since January of this year.

In addition to Jan's award the bank has made arrangements for dinner for two at The Arbor.

Jan Anderson receives award from Walter Daniels, vice president and cashier of the First National Bank of Antioch.

## Cub Scouts Give Out Many Awards

Grass Lake Cub Scout Pack 80 met on May 24 and made numerous awards.

The Webelos activity award was presented to Bruce Magnuson, Krist Ament and Al Roth. Wolf badges were presented to Bob Paulette and George Roth who also received a gold and two silver arrows.

A Bear badge was awarded to Craig Jorgenson who also received one gold and 10 silver arrows.

Two silver arrows under Wolf were presented to Charles Schroeder and Jim Pennell and 1 silver arrow under Wolf to Kevin Walsh, Scott Schroeder and Danny Vaughn. Jim Pennell was presented a denner's bar while an assistant denner's bar was given Charles Schroeder. A two year service star was presented to Robbie Reband.

Several adult leader service stars were presented.

Winners of the kite contest included George Roth, 1st; Craig Jorgenson, second; and Bob Paulette, 3rd.

## Rev. Patterson New Minister In Richmond

The Rev. Dennis W. Patterson, pastor of the Community Church of Richmond (a United Church of Christ) has issued a brochure in which he breaks down the ministry into six categories.

They include Pastoral, Educational, The Word in the World, Giving and Serving, Singing and belonging to Each Other.

Each of these categories are further broken down to explain

Rev. Patterson

what the church is doing in the community.

As an example under Educational it is shown that church school, confirmation, youth fellowship fall under this heading. Singing includes the Chancel Choir, Junior Choir and Choir of the Congregation.

Worship at the church is 11 a.m. every Sunday with the first Sunday of each quarter set aside for the Service of the Lord's Table.

Pastor Patterson has a motto for his church. It is "A Friendly Church Serving a Friendly Community."

Rev. Patterson was transferred from the Lincoln Association of Nebraska to the Northern Illinois Association of the Illinois Conference of the United Church of Christ. He assumed his duties in Richmond January 1 and was installed by the Rev. Edwin Hoefer, DeKalb on Jan. 25. Rev. Patterson was formerly in

## Applications For Summer School Ready

The College of Lake County is now accepting applications for the summer session. Registration for the eight-week session will be held on June 11 and 12, and classes, scheduled from 7:30 a.m. to 10:00 p.m., will begin on June 15 and will end on August 7. The tuition for residents of the college district is \$7 per semester hour plus the registration and activity fee.

The projected enrollment for this first College of Lake County summer session is 1,200 students. Many CLC students pursuing an educational program during the academic year have indicated that they will continue study during the summer. In addition, many students, returning to their homes from other institutions of higher education for the summer, have indicated a desire to enroll in courses of personal enrichment or which will fulfill a requirement of another institution.

A wide range of courses is offered and will be of interest to recent high school graduates as well as older adults. Offerings include courses in accounting, art, biology, business, chemistry, data processing, dental assisting, development services, economics, education, engineering, English, French, geography, history, mathematics, nursing, philosophy, physical education, political science, psychology, and speech. In addition, the GED preparation program is offered for adults who wish to obtain a High School Equivalency Certificate.

New students desiring admission to the summer session must complete an Application for Admission form prior to enrollment. The application form and a summer class schedule may be obtained from the Director of Admission, College of Lake County, Grayslake, Illinois 60030; telephone number 223-8193.

## Navy NROTC Applications Are Available

Applications for the Navy's 25th annual NROTC College Scholarship Program (previously known as the Regular NROTC Program) are now available according to Rev. Anthony Palo, Counselor at Carmel High School.

The purpose of this program is to provide civilian-educated career officers to serve the American people in the U.S. Navy and Marine Corps. Successful candidates receive financial aid for four years of college. This includes tuition and educational fees, books, uniforms and \$50.00 per month subsistence allowance. After successfully completing baccalaureate degree requirements and naval training, graduates are commissioned as officers in the U.S. Navy or Marine Corps. During the summers between college years, midshipmen participate in at-sea training periods which provide practical experience in naval operations and from which they receive many varied and rewarding experiences.

Applicants for this program will be considered based on scores obtained on either the Scholastic Aptitude Test (SAT) of the College Entrance Examination Board (CEEB), Princeton, New Jersey, or the American College Test (ACT) of the American College Testing Program, Iowa City, Iowa, in lieu of the Navy College Aptitude Test (NCAT) previously utilized.

Applicants for the 1971 NROTC College Scholarship Program must:

- Apply for and take either test specified above at their own expense prior to Dec. 31, 1970.
- Arrange with the appropriate testing agency for the submission of their scores to the NROTC College Scholarship Program.
- Apply for the NROTC College Scholarship Program between April 1, 1970 and Dec. 1, 1970 in accordance with the 1971 NROTC Bulletin of Information.

The 1971 NROTC Bulletin containing eligibility requirements and the applications are available at Carmel High School or the U.S. Navy Recruiting Station listed in your telephone directory or from the Chief of Naval Personnel, Navy Department, Washington, D.C. 20370.

## Coulson Aided Program For Free Lunches

A new state program to provide needy youngsters with free school lunches each day was enacted during the 1969 session of the Illinois General Assembly with the key assistance of State Sen. Robert Coulson (R-31) of Waukegan who represents this district in the General Assembly.

Sen. Coulson helped steer the bill, creating the free lunch program through the crucial Senate Education committee prior to its passage on the floor of the body.

The bill was signed into law by Governor Richard B. Ogilvie. "Our children can't study on empty stomachs," Sen. Coulson noted. "All children in Illinois should be given the opportunity to better themselves through education, not just the ones whose parents can afford to buy them lunch at school each day."

The state has appropriated up to \$5,400,000 to help pay for the program, and Gov. Ogilvie has requested federal funds to help defray part of the cost.

The free lunch program is actually an extension of a state program which already includes assistance to local school districts to provide all school children with healthful, nutritious lunches. The state now reimburses each school district serving lunches with part of the cost of the lunch program. In addition, the state also arranges for the distribution of surplus commodities to schools to help keep down the cost of lunches, Coulson explained.

The Superintendent of Public Instruction and the Governor's Office of Human Resources will determine the standards of need in the free lunch program. The Superintendent of Public Instruction will also provide technical assistance on the program to local districts and will recommend what share of the total cost each school district will receive, Senator Coulson noted.

Hereditarily is something you believe in when your child's report card is a straight A.

## Dragaway Sets Major Program

One of the most prominent of the nation's major drag racing meets will take place over the Memorial Day weekend at the Great Lakes Dragaway. It's the 14th annual "Olympic of Drag Racing," a meet that year after year attracts the nation's top drivers. The prestige that goes with winning one of the events, plus a substantial share of the \$50,000 guaranteed cash purse lures entries from over 40 of the 50 states annually.

The 4 day meet kicks off Thursday May 28th and winds up Sunday May 31st. Thursday nights races start at 8:30 and Friday's program at 2 p.m. features the supercharged nitro burning "Funny Cars." Saturday night races at 8:30 and Sunday at 2 p.m., the 220 MPH nitro fuel dragsters are one of the main events.

The fascinating wheelstanding cars, pickup trucks and motorcycles will race all four days of the meet. This is the first time that this type of drag racing machine will actually be raced in side by side competition, up to now they were used for exhibition runs only. In the races, the first driver that goes off the strip, or whose wheels touch the strip is the loser. If both drivers make it the entire 1/4 mile staying on the track and keeping the front wheels in the air, the driver to reach the 1/4 mile finish line is the winner.

Advance entries already exceed 400 with 44 states represented. Top billing among the "Funny Cars" for Thursday and Friday include Fred Goeske, "Jungle," Jim Liberman, Paula Murphy, Tom McEwen, and Don Prudhomme, all from Los Angeles; Roland Leong from Hawaii; Dickie Harrell of Kansas City; Gene Snow of Dallas, Texas; Vic

Cecelia of Milwaukee; Tom Hoover of Minneapolis; Pat Minnick, Al Fontanini, Ken Safford and Don Schumacher all of Chicago.

Nitro fuel dragsters entries include Bennie Osborn and Bob Creitz of Tulsa, Oklahoma; Don Garlits of Seffner, Florida; Bruce Ross, Doug Walton and Vern Anderson of Minneapolis; Connie Kalitta of Detroit; Chris Karamesines, Cliff Zink of Chicago; Dave Powers of Dubuque, Iowa; Fred Welchman and Dan Wingert of Milwaukee; John Wiebe of Wichita, Kansas; Bob Murray of St. Louis; Jim Nicoll, Don Johnson, Rod Dunne, Don Cook and Tommy Ivo all from the Los Angeles area.

Drivers of the wheelstanding racers include Richard Hutchens of Miami, Florida; Bill Shrewsbury of Columbus, Ohio; Gary Watson of Corpus Christi, Texas; Fritz Burrell of Burlington, Wisconsin; Francis Monaghan of Philadelphia, Pa.; Roy Trevino of Fort Worth, Texas; Bob Perry of Phoenix, Arizona; Dick Harding of San Diego and Bill "Maverick" Golden of Los Angeles with the "Little Red Wagon."

Don Garlits of Seffner, Florida suffered a serious injury to his right foot last February when the transmission on his dragster exploded. The violent explosion actually tore the dragster in two.

Parts of the transmission ripped through the tires, the frame and the body of the dragster. Garlits lost part of the instep and the toes of his right foot but is recovered and will compete in this meet Saturday night and Sunday afternoon.

Great Lakes Dragaway is located 12 miles north of Illinois Wisconsin state line and 4 miles west of I-94 at Union Grove, Wis.

The 1970 Antioch High School Track Team, conference Champions, takes a bow. (Photo by Joe Rush)

## Antioch Will Be Honored

Memorial Day night at the Kenosha County Speedway in Wilmot will have a special interest to all Antioch area residents. A special program honoring that city and recognizing the support it has given to the famous Wisconsin dirt track oval will be part of the extra events set for the Holiday Night.

Antioch Mayor Raymond Toft will highlight the Antioch business and industrial growth of the city and present the winner of the feature race with a Special Antioch Trophy.

The modified stock cars will race in a special 50 lap Antioch Championship Race. Current and past drivers from the Antioch area will be recognized and their activities at Wilmot will be highlighted.

An Official Indianapolis Oldsmobile Pace Car from the John Teresi Auto Agency in Antioch will be on display and will pace the feature event.

## Little League Action

The excitement rose and the hearts of all Little Leaguers began to beat just a little bit faster Sunday, May 24, for it was opening day.

The cheers rang loud and clear as each of the managers' names were called out, Cardinals (Mr. Brophy and Mr. Hall); Pirates (Mr. Volting); Dodgers (Mr. DeBoer); Giants (Mr. Norwood); Sox (Mr. Paulos); Tigers (Mr. Gutowski); Cubs (Mr. Vos); and Yankees (Mr. Kessler).

Mayor Ray Toft was on hand to give the green light for the 1970 season. After walking to the pitcher's mound and throwing two perfect strikes (well almost perfect) the season was under way.

Both Little League and Ray Toft expressed their thanks to the Lions Club for the new outfield fence and the town for helping to put the new bleachers at Little League Park.

An honor guard of two Girl Scouts, Susan Hunt and Nancy Ford from Troop 144 and two Cub Scouts, Frank Johnson and Paul Mapletierpe from Pack 192 presented the flag while the audience joined Sonja Slovensky in singing our National Anthem.

The first game of the double header was between the Cubs and the Yankees with the Cubs coming out on top with a 3 to 0 win. Witt was the winning pitcher and Tossey the loser.

The second game between the Tigers and the Sox went to the Tigers with a 11 to 0 win. Gutowski was the winning pitcher and Sheedle the loser.

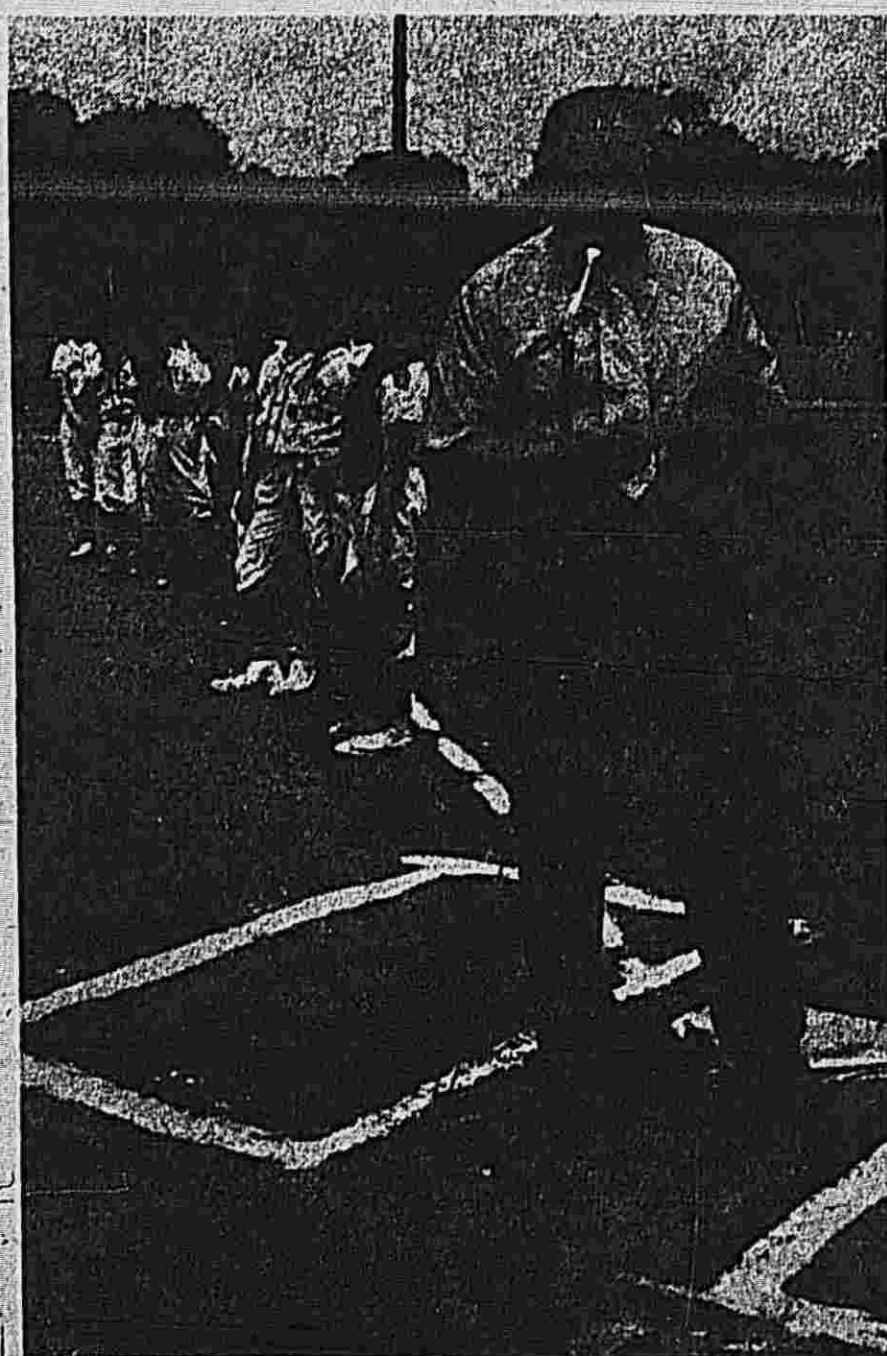

This year Little League and Babe Ruth have 23 teams. The public is invited to attend these games. Little League boys will be playing a double header each Monday, Tuesday, Thursday, and Friday.

The Minor League boys will be playing each Wednesday evening and Saturday afternoon. The first game of the evening beginning at 6:15. Babe Ruth games will be played at the high school beginning at 8:30.

See you at the Ball Park.

Robert Johnson of Wauconda, is presented his trophy and \$851.50 in prize money by Gino Pichetti. Johnson was the winner of the men's division of the 25th annual contest put on by the Antioch Bowling Lanes. He averaged 729. The event drew close to 3,000 bowlers from Illinois and Wisconsin and had a total prize tab of \$8,000.

Mayor Ray Toft opens the Little League Season in Antioch. (Photo by Joe Rush)

THURSDAY, MAY 28, 1970

THE ANTIOCH NEWS-6

## Young Takes Feature At Waukegan Track

Ray Young of Dolton took the 100 lap May Championship feature lead for good in the six lap event. Young had fast time for the night and increased his point spread over Cassman by 45 points Saturday.

Official scorer Joe Valenza of Chicago had his hands full in the main as at times the fog was so dense the cars couldn't be distinguished on the backstretch. Twenty-one laps of the race were run under the yellow caution flag while track crews cleared minor accidents.

Bob May of Gurnee, Bob DeJany of Roselle and Carl Major of Chicago all shared the lead in the first four laps before Lee Schuler of Lockport took command. Young was in the lead from the sixth through eighth laps before Schuler moved ahead again.

In the 10th lap Major contacted the homestretch wall for several hundred feet after several of the leaders tangled and slid in front of him blocking most of the track. After some quick pit work, Major returned to finish 7th.

Three laps after Young took the lead for good on the 15th lap, Waukegan's Jim Cassman lost the right rear tire from his Chevelle in spectacular fashion. Jim was soon back out of the pits on all four and wound up in ninth spot at the checkered flag.

In the 88th lap there was an accident in the first turn involving primarily Browne, May and Bob Anzinger of McHenry. Browne damaged the front of his Charger and was towed away and May lost a lap before restarting.

The official finish found Young in first spot by a comfortable margin with Schuler taking second followed by May, Frank Cabrera of Chicago and Tom Jones of Northbrook.

The late model dash was won by Cassman as he bested Young, Schuler and Major in the six lap event. Young had fast time for the night and increased his point spread over Cassman by 45 points Saturday.

The trick in the hobby stock division Saturday seemed to be having the first name of "Tom"! Tom Reuss of Wildwood won the first heat, Tom Edwards of Zion the second, and Tom Oliver of Zion took the lead with three laps remaining to win the feature. The feature win put Oliver back in the hobby point lead as previous leader, Chuck Bostick of Waukegan, was on the sidelines in the feature after a spectacular heat race crash.

The Memorial Day weekend at the Waukegan Speedway will find three nights of stock car races with two 50 lap features and a powder puff derby among the headlines. Time trials all nights will start at 7:15 with the first race at 8:00.

Friday, May 29 the modified stock cars will make their second special appearance of the season at Waukegan.

Saturday, May 30 will find the late model super stocks racing in a full program topped by a 50 lap main for them. Division will run their first long distance event of the year with a 50 lap main for them.

## Reuss Wins Event

Again Sunday night at the Waukegan Speedway the fog rolled in and dampened the races. This time a light shower and then continued sprinkles forced cancellation of the late model feature; however, all other events were run as scheduled with defending hobby stock champion, Tom Reuss of Wildwood, winning his first feature of the year.

Ray Young was the night's big money winner as he set fast time, took third in the dash, second in a heat and was awarded the feature win money when the rains came. The Dolton pro had won the 100 lap May championship in the fog just the night before.

Vern Browne of Wauconda had a good night, too. He set fast time in his Charger, blasted through to win the trophy dash, took fourth in a heat and took home second place feature money with the rain. Bob Anzinger took third place money due to his time.

Dick Dornbusch of Lake Bluff won his first race of the season Sunday by passing Ray Bush of Silver Lake with two laps remaining in the first heat. An old favorite at the track, Norm Zenko of Highland Park, made his first appearance of the year and finished third in a sparkling new '69 Oldsmobile.

The hobby stock action was thrilling again Sunday with George Garrett borrowing a car to win the trophy dash while another Zion driver, Frank Glin, had to settle for second. Tom Reuss and Roy Acuff of Chicago

## Weekend Busy For Speedway

The Waukegan Speedway will be very busy over the Memorial Day weekend with three nights of racing scheduled including the second appearance of the modifieds in this area on Friday night, May 29. Gates open at 8:30 each night with the first race at 8 p.m.

Saturday's races will feature a 50 lap late model race and a special 25 lap hobby stock race. There will be a regular 30 lap main on Sunday for the late models and another powder puff derby will be added. The first powder puff two weeks back drew 18 entries.

Friday's modified races will be the second in a series of special Friday events. The fender-less fuel-injected racers are also scheduled for Friday, June 19 and Friday, July 3. Hobby stocks will also race on those nights.

Possibly giving Acheson his biggest challenge this Friday will be Whitey Harris of Lake Villa who now drives the Fred Nielsen prepared A3 formerly driven by Waukegan Track Champ John Reimer of Coletonia.

Harris led all qualifiers opening night at Waukegan with a record 14.13 lap, but was eliminated in a tangle with Roger Otto early in the race.

Won 14 and 13 car heat races respectively.

Promoter Gordon Sill is hoping for some sunshine next weekend.

## Bruins Dump Stars

The Salem Bruins remained undefeated as they dumped the North Stars, 14 to 4. The victory moved the Bruins a half game ahead of the Redwings, while the North Stars are still looking for their first victory.

The Bruins scored five in the first, and added two, four and three runs in the final frames. Pacing the Bruins attack were Jones and Johnson while Grabarec also added a home run, while Underhill had three hits for the losers.

## Stock Cars To Race At KK Arena

Stock car racing, one of the oldest forms of auto racing at its best, will highlight the Memorial weekend at the KK Sports Arena.

USAC (United States Auto Club) Late Model Stocks take over the 1/4 mile hi-banked paved oval Sunday, May 31, with a 200-lap event.

Among the "early" entries are Don White, Jack Bowsher, Norm Nelson, "Butch" Hartman, Dave Whitcomb, Terry Nichols and Dick Trickle with an anticipated 45 entries. Miss Green Bay, Sue Basche, will be on hand to present trophies to the winners. Qualifications begin at 12:30 with races at 2 p.m. The automatic scoreboard will record the first five car positions in the fight for a portion of the \$12,000 purse.

KK has all modern facilities. Beer and refreshments sold on the grounds. Free parking and bus service.

The KK Sports Arena is located just off Highway 55 at Kaukauna, Wisconsin.

## Emmons Wins Title

Emmons Grade School baseball team, coached by John Kakaek, was undefeated as it captured the Big Six Conference baseball championship.

The Big Six consists of six grade schools: Emmons, Lotus, Millburn, Grass Lake, Newport, and Spring Grove. The teams are made up of seventh and eighth grade boys of the schools.

In the last week of the season, Emmons played two games, winning both of them.

On Wednesday, May 20, Emmons met Grass Lake on Grass Lake's diamond. Emmons won the game 19-5. Morrison hit a home run for the Grass Lake team. Anderson was the losing pitcher for Grass Lake. Tim Bruggemann was the winning Emmons pitcher.

The final game of the season for Emmons was played on its home field. The game was held Thursday, May 21. Spring Grove came to Emmons for the game. Both teams were undefeated, and so the game was for the championship of the Big Six Conference. The Emmons Raiders were the winning team 9-5. One home run was hit by Basting of Spring Grove. Ron Ankebrant was the losing pitcher for Spring Grove and Bob Bach of Emmons was the winning pitcher.

The Big Six Conference baseball season ended with the undefeated Emmons team capturing the first place trophy. The second place trophy went to the Spring Grove team which lost only one game.

## Stock Cars Racing At Lake Geneva

The new look of the modified and sportsman stock cars of Interstate Racing Association will be fully revealed for the first time this year at the Lake Geneva Raceway on Sunday night, May 31.

Modified stock car racing is not a new sport for racing fans in the area. In the past they have raced at Lake Geneva, Wilmet, Rockford, Waukegan and at several tracks in the Milwaukee area. This year, however, the two year old IRA group has done much to change the image of these cars and update their appearance to the fast speeds they are capable of on not only quarter mile tracks but on the longer tracks as well.

Heading the list of drivers will be at least four Champions of the modifieds. Three of these are former Champions at Lake Geneva. They include Al Schill, last year's Champion; Roger Otto, 1967 Champion and Whitey Harris, 1966 Champion. Don Sorce, a former champion at Wilmet will also be in the field.

## Supers In Busy Schedule

Interstate Racing Association of modified and sportsman stock cars face a busy schedule this Holiday weekend. Efforts to get first exposure of the Supers of the Seventies at the Kenosha County Speedway in Wilmet for the past two Saturday nights have had to be cancelled due to showers and muddy track conditions.

Now the group faces its busiest schedule of the year as they race at the Waukegan Speedway in an Indy Eve 50 lap feature on Friday night May 29 and try again on Saturday night, May 30 at Wilmet.

On Sunday night May 31, the IRA cars open their season of modified and sportsman stock car racing at the Lake Geneva Raceway, and will continue their weekly schedule on Saturday at Wilmet and Sunday at Lake Geneva.

## Opener A Winner

Don McAllister's Bruins opened the Salem Intramural Baseball season by dumping the North Stars, 10 to 4.

The North Stars jumped to an early 4 to 2 lead at the end of three but the Bruins erupted for four runs in the fourth and continued to pad their lead as they scored in each of the remaining three innings.

In the meantime, Captain McAllister was limiting the North Stars to two hits in the final five innings. Pacing the Bruins 15 hit attack were Sheehan, Costanzo, Schroeder, Strampp, Johnston, and McAllister who all had two hits.

## Red Wings Winner

Tom Jacobsen's Redwings moved into a first place tie with the Bruins, as they handed the North Stars their second defeat of the season, by a 20 to 2 count.

The North Stars were at a distinct disadvantage as they were able to field only six players due to illness.

The North Stars managed to keep the game close for two innings but the Redwings broke the game open as they scored seven runs in the third, four in the fourth and nine in the sixth. Pacing the Redwings 27 hit attack were Jacobsen with four, while Bovee and Tremonte added three hits.

## Edison Forms Environmental Council Group

An environmental advisory council composed of 12 outstanding doctors, educators and scientists has been formed by Commonwealth Edison Company.

According to J. Harris Ward, Edison chairman, the panel will assist the company in formulating policies and carrying out programs of action to benefit the environment.

"Although Commonwealth Edison is making good progress in cutting down pollution, the continuing development of reliable electric service facilities involves enormously complex environmental problems," Ward said. "We are extremely grateful that we will now have the guidance of a panel of distinguished academic, medical and scientific authorities to help us solve these problems and set forth courses of action for preserving and improving the environment."

The members of the new Edison advisory council are:

Dr. George W. Beadle, President Emeritus and Distinguished Service Professor, Department of Biology, University of Chicago; Director of the Institute for Biomedical Research, American Medical Association.

James A. Campbell, M.D., President Presbyterian-St. Luke's Hospital.

Dr. Lloyd Cooke, Director of Urban Affairs Union Carbide Corporation.

Ward said the new advisory panel, which will be autonomous, will study and evaluate company operations associated with the use of land, air and water and recommend measures to minimize environmental effects.

"We expect the advisory council to keep a critical eye on our operations and to set guidelines for us to follow in conserving natural resources and improving the quality of life in the communities we serve," he said. "We will welcome the council's recommendations and do our very best to carry them out."

Members of the council are serving on a public service basis and without compensation, Ward said.

The golden crowned kinglet and the ruby crowned kinglet are tiny olive green birds that flit about in the middle and upper branches of orchard and woodland trees.

## FUNERAL NOTICES

ELLA M. NEWMAN

Funeral services were held for Ella M. Newman (nee Kalmbach) Antioch, Illinois, Tuesday, May 26 from the Ahlgrim & Sons Funeral Home in Chicago.

Mrs. Newman was the wife of the late Paul E. Newman, retired Chicago Police Dept., mother of Marion Stehlik, Elmhurst, N. Y., Paul E. Newman of Alexandria, Va., and Arlene Olszewski, Antioch, and grandmother of Kenneth Newman and Arlene L. Stehlik.

She was a member of the United Methodist Church of Albany Park, Chicago and Past Matron, 1941 of the Garfield Chapter No. 711 O.E.S. and at present was affiliated with the Antioch Chapter No. 428 O.E.S., Antioch.

Interment was at Mount Emblem Cemetery.

CYRIL V. PACEY

Cyril V. Pacey, 65 years old of Wilmet, Wis., passed away suddenly Sunday, May 24, at Burlington Memorial Hospital.

Mr. Pacey was born Oct. 14, 1904 in Wilmet, Wis., and has been a lifelong resident of that area. He was the secretary of the Wilmet Cemetery Association. He served for 9 years as the clerk of the Wilmet Grade School Board. He was a member of the Wilmet Fire Department for many years. He was a retired farmer, having farmed in the Wilmet area for many years. He married Elsie Ehler on Nov. 18, 1925 in Waukegan, Ill.

Survivors are his wife Elsie; two sons, Harold Pacey, of Lena, Ill., and Leland Pacey, of Wilmet; four daughters, Mrs. Frank (Charlotte) Haase, Wilmet; Mrs. Wilson (Doris) Speaker, of Richmond, Ill.; Mrs. Raymond (Joan) Stoen, Jr., of Wilmet; Mrs. Elroy McRae, of Twin Lakes, Wis.; one brother, Floyd Pacey, of Keosauha, 23 grandchildren and two great-grandchildren also survive.

Funeral services were held Tuesday at 1:30 p.m. in the Strang Funeral Home, Antioch. Interment was in Wilmet Cemetery. Friends called at the funeral home after 3 p.m. Monday.

\*\*\*

EDWARD H. SCHIPPMANN

Edward Henry Schippmann, 67 years old of 3150 Northwest 1st Ave., Pompano Beach, Fla., passed away Saturday, May 23 in Holy Cross Hospital, Ft. Lauderdale, Fla., after a lingering illness. He was born Jan. 4, 1903 in Holstein, Iowa and had lived in Lake Villa from 1944 until 1968 when he moved to Pompano Beach, Florida.

He was a member of the Sequoia Masonic Lodge No. 827 A.F. & A.M., of Antioch, a member of the Medinah Temple A.A.O.N.M.S. of the Shrine in Chicago, a member of the Co-Workers of Western Electric for 30 years, retiring in 1963. He married Crystal Severin in September, 1927 in Chicago.

Survivors are his wife Crystal, one son, Edward Dean Schippmann of St. Louis, Mo., two daughters, Mrs. James (Patricia) Harvey, of Antioch, and Mrs. Walter (Natalie) Shourd of Ridgefield, Conn.; one sister, Mrs. Ethel Thorpe, Cicero, Ill.; 11 grandchildren also survive.

Funeral services were held Wednesday, May 27 at 1:30 p.m. in the Strang Funeral Home, in Antioch. The Rev. Philip Laurin of St. Stephen Lutheran Church officiated. Interment was in Mt. Emblem Cemetery at Elmhurst, Ill. Masonic services were held Monday evening at 8 p.m. in the funeral home. Friends called at the funeral home after 7 p.m. Monday until time of services Wednesday.

Friends desiring may make contributions to the Edward Henry Schippmann Masonic Memorial Fund, c/o P. O. Box No. 22, Antioch, Ill.

\*\*\*

KENNETH N. DELATRE

Kenneth N. Delatre, 22 years old of Grass Lake near Antioch passed away at 12:30 a.m. on Wednesday, May 25, from injuries received in an automobile accident on Polly Wog Road about 1 1/2 mile west of County Trunk "JF".

He was born Nov. 12, 1947 in Chicago and moved to Antioch in August 1968. He had served in the U. S. Army in Vietnam. He was preceded in death by his sister, Marilyn Delatre in 1958.

Survivors are his parents, Frank and Mary Delatre of Antioch, one sister, Mrs. Alice (John) Brausam, Chicago, three brothers, Frank, Jr., Chicago, Michael, Chicago, and Albert Delatre, at home.

Funeral services will be held at 11 a.m. Friday at the Strang Funeral Home in Antioch. Interment will be in Grass Lake Cemetery. Friends may call at the funeral home after 3:00 p.m. Thursday.

## 'Open House' Will Mark Shrine Day

An elaborate "open house" program, to which the general public, as well as Shriners, are invited, will mark the local celebration of National Shrine Hospital Day Sunday, June 7, at the Chicago unit of these famous institutions for crippled children, 221 N. Oak Park Ave.

The program, marking the local hospital's 45th birthday, will be presented between 2 and 5 p.m. on the spacious hospital grounds. Participating will be most of Medinah Temple's famous parade units, including the Brass Band, Oriental Band, Chanters, Marshals, Arab Patrol and others, as well as the spectacular Kluge band from Murat Temple, Indianapolis.

Principal speaker will be Judge Otto Kerner, a member of Medinah Temple.

The Chicago unit is one of the 19 orthopedic hospitals and three Burns Institutes operated by the Shriners. Since the first hospital opened in Shreveport, La., in 1922, nearly 150,000 children have been treated without charge or regard to race or religion.

The Burns Institutes, located in Cincinnati, Boston and Galveston, were built within the last six years to meet the alarming increase among burn-injured children and are the only ones of their kind in the nation. Research, which is emphasized along with treatment, already has made several important breakthroughs in the care of fire victims.

The millions of dollars needed annually to support these institutions comes in many ways. Best known are more than 40 Shrine-sponsored football games, including the East-West classic at San Francisco—a post season contest ante-dated only by the Rose Bowl. Other funds come through an annual assessment on each of the 872,000 Shriners in North America, circuses and other entertainments and gifts and bequests from inside and outside the order.

The local program on June 7 will be directed by Thomas C. Roberts, chairman of the hospital's board of governors and will include Potentate Walter M. Dill of Medinah Temple. Tours of the 68-bed hospital before and after the outdoor program will be under the direction of Gene Yeazell, recently appointed as administrator. Dr. Edward A. Millar, noted orthopedic surgeon, is the chief of staff.

Ample parking space is available both at the hospital and on the adjacent grounds of the Mars Candy Co., which for many years has annually turned over its parking facilities to accommodate Shrine Hospital Day visitors. Several thousand chairs are available on the lawn from which visitors can watch the program in comfort.

The occasion also will feature the third annual "alumni reunion" for former patients, many of whom are now in school or have gone on to achieve success in business and civic life.

## Berg Is Awarded Honor Certificate

Lance Berg, a freshman at Antioch Community High School and son of Mr. and Mrs. Virgil Berg of Route 2, Box 192, Antioch, was awarded a certificate of honor by the high school for his citizenship, diligence, and accomplishment in communications arts, in which he participated in addition to his regular schedule.

CHARLES F. KADLEC

Charles F. Kadlec, 39 years old of Camp Lake, Wis., passed away Saturday, May 23, in Burlington Memorial Hospital, Burlington, Wis., after a three year illness. He was born July 13, 1930 in Chicago and has lived in Camp Lake since 1936. He was a member of Holy Name Catholic Church at Wilmet, Wis., an assistant scout master, and a veteran of the Korean War.

Mr. Kadlec worked as a machinist for the Perfecto Eng. Co. of Elk Grove Village, Ill. He married Annet Poblowski on Oct. 8, 1965 in Chicago.

Survivors are his wife Annette; five children, Duane, Michael, David, Thomas and Roberta, all at home; his mother, Mrs. Frances Kadlec of Camp Lake and one brother, Anthony Kadlec, also of Camp Lake. He was preceded in death by his father, Anton Kadlec.

Funeral services were held Monday, May 25, 1970 at Holy Name Church, Wilmet, Wis., at 10:00 a.m. Mass. Interment was in Holy Name Cemetery. Friends called at the Strang Funeral Home in Antioch.

## Moose Comes Of Age

Twenty-one years ago this month the Antioch Moose Lodge was born and in celebration of this milestone, Governor Ronnie Polson is proud to announce that within a few days the final phase of the lodge remodeling program will begin. The long awaited new front on the Moose building will no longer be a dream, but an actuality.

At a recent meeting the officers and lodge members voted to proceed with the final phase and Jerry Rockow Plastering Co. was awarded the contract to install the very latest in brick and fieldstone design fronts. This new design will be the first of its type in this area and will be a credit to Main St. and all of Antioch.

It has been a long uphill battle, said Gov. Polson, since the lodge bought the Main St. building back in the middle fifties. Since then the complete interior of the building has been remodeled and beautified and now with the new face-lifting of the front of the building coming into reality, all of the almost 600 members of the lodge will be able to point with pride to their Moose Home.

## Smith Names Campaign Directors

Mrs. Louise Thomas of Crystal Lake and Mrs. Marjorie Clavey of Highland Park have been appointed co-regional directors of McHenry and Lake Counties for the Ralph Tyler Smith senatorial campaign.

Mrs. Thomas and Mrs. Clavey will be working closely with Mrs. Hope McCormick, Chairman of the Women for Smith committee, to implement Republican programs locally. Besides their function as regional women's leaders, they will also directly assist Mr. Dave Ganfield, campaign director for McHenry and Lake Counties.

Mrs. McCormick was delighted by the selection of Mrs. Thomas and Mrs. Clavey as co-regional directors. "Senator Smith and I welcome two such dedicated women to the campaign effort," said Mrs. McCormick. "Their joining us has greatly enhanced the Republican potential in McHenry and Lake counties." She added that both Mrs. Thomas and Mrs. Clavey have had extensive political experience in their districts.

Mrs. Thomas served as chairwoman of the DeKalb County Republican organization for five years and she was an organizer of DeKalb County Republican women's clubs. She has been a board member of the 12th District Women's Republican Club and the Algonquin Republican Women's Club.

Mrs. Clavey was campaign manager for Con. Con candidate Jeff Ladd and public relations manager for Rep. John Henry Klein. She was president of the Highland Park Women's Republican club and chairman of the Lake County Republican Central Committee fair booth.

## Two From Antioch Named Counselors

Two Antioch students at Western Illinois University, Macomb, have been chosen to serve as counselors for the Sept. 13-20 "Welcome Week" orientation program for new students.

They are Timothy H. Osmond and his sister, Mary Ellen, both of 976 Hillside Ave.

## Portrait Dedicated

Three portraits were dedicated on May 6 in the Illinois State Senate chambers including one of an Antioch resident.

The Antioch resident was Richey V. Graham, of River Forest, and Antioch, president pro tempore of the senate during the administration of the late Gov. Henry Horner.

It's easy to place a classifed—Just dial 395-4111.

## Janka, Wife Attended Conference

Richard C. Janka, 548 Garys Drive, Antioch, an Allstate agent, and his wife attended a sales conference of the Allstate Insurance Companies at the Broadmor Hotel, Colorado Springs, Colorado, April 24 through 26th.

Mr. and Mrs. Janka took part in the 19th annual "Conference of Champions," which included meetings and round-table discussions with top executives of the company.

Janka qualified as a member of Allstate's exclusive "Honor Ring" organization by being among the outstanding sales representatives from the ranks of over 9,000 Allstate agents.

Assistant Vice President Richard A. Hogan, manager of the Allstate Regional Office in Skokie, said the effort of Janka and others who were honored in Colorado, played a large part in the company's success in 1969.

Janka has been an Allstate agent since February, 1963, and is currently assigned to the Sears, Roebuck and Company building, 121 Lakeland Shopping Plaza, Fox Lake, Ill. He and his wife Andrea have three children: Riccardo, Rebecca, and Charles.

## Holiday Travel Dangerous

As you know, holiday periods are hazardous times, and your help is needed if accidents over Memorial Day are to be held to a minimum.

"Keep your safety guard up and keep accidents down." That is the advice of the Lake County Safety Commission as Lake County gets ready to celebrate the Memorial Day weekend. "People get a little too carefree simply because it's a holiday," the Commission warned. "They forget to be cautious. They get 'holiday happy'."

The Commission added that holiday periods are among the most dangerous times of the year—25 to 30 per cent more dangerous on the highway, for example, than normal periods. "And that's the time," said the Safety Commission, "when everyone should be more safety-conscious than ever."

Here's its code for the road this Memorial Day weekend. If you drive, don't drink. Look out for the other guy—and yourself.

Adjust your speed to conditions. Take it easy—don't tire yourself. Be considerate.

Use your seat belts. They can save your life.

"Remember," said the Commission, "there are millions of others just as eager as you are for a happy holiday. If you forget it you may not have a second chance to remember."

## NI-Gas Will Hike Service To Edison

Northern Illinois Gas Company on May 20th, filed an agreement with the Illinois Commerce Commission confirming arrangements to furnish Commonwealth Edison Company an expanded supply of natural gas.

Under the agreement, NI-Gas will supply the electric utility with an additional 210 million therms of gas in 1970.

Howard E. Ford, NI-Gas senior vice-president, said the additional gas estimated to be used by Edison is the equivalent of about one million tons of coal, or enough to fill 13,350 railroad coal cars.

By replacing this amount of coal, the level of sulphur dioxide in the air will be reduced by an estimated 70,000 tons a year, and the particulate emission by 5,000 tons.

Ford said the additional gas to be used as boiler fuel in Edison's various generating stations, will be largely interruptible and off-peak gas, and will not impair NI-Gas' ability to serve its firm customers.

He said some gas will also be available on most days, when temperature inversion occurs. The exception would be on the very coldest days.

ASK A SILLY QUESTION . . . A baby rabbit had been pestering its mother all day. Finally the exasperated parent replied, "You were pulled out of a magician's hat—now stop asking me questions."

THE ANTIOCH NEWS-SPRINGS

THURSDAY, MAY 28, 1970

## Bowers Gets New Position

Donald E. Bowers, of Antioch, has accepted the position of area manager for Curtis Harvestore of Effingham, Ill., beginning June 29.

Bowers has been employed by the Lake County Farm Bureau for the past three years, and has notified the county of his resignation effective June 28. In his new position Bowers will have charge of production for an eight county area in Southern Illinois. Those counties are: Wayne, Edwards, Wabash, White, Hamilton, Saline, Gallatin, and Franklin.

During the past three years the Lake County Farm Bureau has had tremendous growth under the leadership of Bowers. The organization has realized a net gain in membership of over 500 for that period and has maintained first place in this area for the state.

Many new programs have been promoted and directed through the executive secretary office which have helped to gain new members. Two months ago the county reached an all time high of 4027 members.

Bowers says he regrets to leave the Farm Bureau, but that he feels the new opportunity has much to offer him and his family. The family plans on moving during the month of July.

## Last Weekend For Avon Players

This is the last weekend for area "live theatre" goes to see the Avon Players' production of "Bell, Book and Candle" at the Antioch Country Club Playhouse. Reservations can be made for Friday and Saturday, May 29 and 30 by calling the Antioch Country Club, 395-3000. Curtain time is 8:30 p.m.

Audiences have been enjoying this mystery-comedy for the entire month of May. Avon players Frances, Imsande, Tom Mallan, Virginia Lind, Charles Popp, and Louis Jones, directed by Bryan Moats are sure to please you—don't miss it.

Next to come during the month of June is the rollicking musical comedy, spoof of those flapper days of the roaring 20's—"The Boy Friend." Ken Smouse will direct the large cast of teenagers and adults from the nearby area who will sing, dance, emote, and carry the audience back to the good old days of the Charleston, the Big Apple, and the "poop-poop-ee-do."

## Offices Are Moved

Antioch Township offices have moved this week from 920 Main Street to 880 1/2 Main St., in the rear of the new police department building addition.

Township Supervisor Lloyd E. (Red) Murrie said the new offices will centralize all of the township's functions and enable the township officials to better serve the public.

Call 395-4111 to place a Society or News Item.

## Fullerton Promotes Area Men

Two residents of Lakes Region communities have been appointed slitting department foremen at Fullerton Metals Company, Northbrook, it was announced by Joseph J. Ryan, plant superintendent.

The men are Stephen W. Ziembra, Antioch, and Pat T. Deaton, Gravelake, who will supervise all slitting activities at the Fullerton metals service center on the day and night shifts, respectively-metalworking and other kinds of

machinery. He is a native of Maywood, where he attended Proviso High School, and served in the U. S. Navy from 1949-53.

Deaton, whose wife, five children and two foster children reside in rural Gravelake, served with the U. S. Navy at Glenview Naval Air Station for four years prior to joining Fullerton.

A native of Arizona and New Mexico, he also was in the Navy from 1943-50.
